# Welcome Letter

---

Dear Sponsor,

We are thrilled to introduce the Ontario Youth Grapevine Network (OYGN), a non-profit organization committed to empowering high school students across Ontario through career exploration, post-secondary readiness, and leadership development. This September, we are hosting our inaugural Grapevine Career Conference, and we are seeking passionate and community-minded partners to help us bring this initiative to life.

With your support, we aim to deliver a **no-cost, high-impact experience** for over 500 high school students, helping them make informed choices about their futures. In addition, we intend on providing financial support to exceptional students through scholarships on the day of the conference.

We invite you to join us in shaping the next generation of leaders.

Sincerely,

Tiffany Chan  
President, OYGN

# About Us

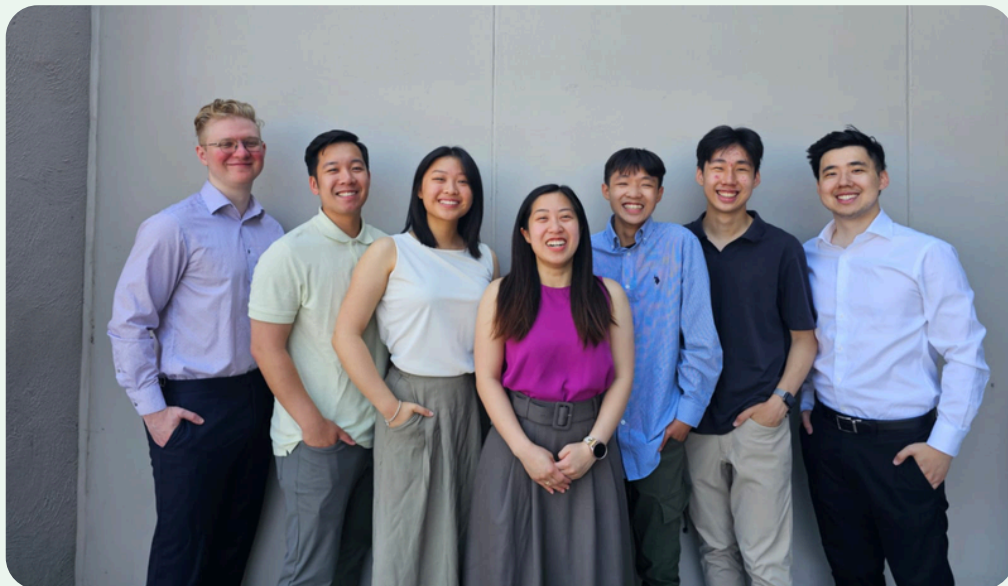

---

The Ontario Youth Grapevine Network was founded as a not-for-profit organization to bridge the gap between secondary school education and real-world success. Composed of young professionals, university and high school students, we aim to **inspire youth to explore different career possibilities and pursue pathways that are meaningful to them.**

**Our mission** is to empower youth with the tools, perspectives, and support needed to navigate their post-secondary paths and contribute positively to their communities.
